Any known species:

Any breeding behaviour: eg. mating pairs/ovipositing/presence of exuviae

Exuviae collected?

**Visit 2 (July) Date:**

Number of different species present:

Any known species:

Any breeding behaviour: eg. mating pairs/ovipositing/presence of exuviae

Exuviae collected?

**Visit 3 (Aug/Sept) Date:**

Number of different species present:

Any known species:

Any breeding behaviour: eg. mating pairs/ovipositing/presence of exuviae

Exuviae collected?

Please Email report to Sue Rees Evans- even if result negative: [info@shropshiredragonflies.co.uk](mailto:info@shropshiredragonflies.co.uk)

Any exuviae collected can be forwarded to Sue. Any photographs of individual dragonflies can be emailed with the report.

**NB. This investigation is habitat focused so we are not interested in one-off 'fly- bys' but in finding good dragonfly habitat or the potential for restoring good habitat.**
